SECTION 2

Settlement Relief: Cash Consideration

In consideration of the releases and relief provided herein, Brighthouse agrees to make available the following relief:

2.1 Settlement Fund and Final Settlement Fund.

- (a) Brighthouse will fund a non-reversionary Settlement Fund in the amount of Nine Million Two Hundred Fifty Thousand Dollars (\$9,250,000.00), minus any reductions as set forth in Section 2.1(b).
- (b) Brighthouse’s obligation to fund the Settlement Fund shall be reduced on a pro rata basis measured by the face amount of each Class Policy that is the subject of a valid and timely Opt-Out Request and therefore is not a Final Settlement Class Policy. By way of example, if one percent (1%) of the total face amount of the Class Policies is attributable to Opt-Outs, the Settlement Fund will be reduced by one percent (1%) (*i.e.*, to \$9,157,500.00). The opt-out reduction methodology set forth

in this paragraph is proposed solely for settlement purposes and may not be used as an admission or evidence of the validity of any damages model or of any alleged wrongdoing by Brighthouse.

- (c) Subject to Section 5.4, any disputes among the Parties regarding any reductions to the Settlement Fund shall be presented first to the Mediator for potential resolution and, absent resolution, to the Court for a determination.
- (d) The Final Settlement Fund shall be used to pay: (i) all Settlement Administration Expenses; (ii) any Service Awards; (iii) any Class Counsel's Fees and Expenses; and (iv) all payments to the Final Settlement Class Members.

2.2 Funding of the Final Settlement Fund.

- (a) Brighthouse shall pay the Final Settlement Fund to the Settlement Fund Account on or before the Payment Date (*i.e.*, no later than fifteen (15) business days after the Final Approval Date).
- (b) The Settlement Fund Account, and all earnings thereon, shall be deemed to be *in custodia legis* of the Court and shall remain subject to the jurisdiction of the Court until such time as the funds shall have been disbursed pursuant to the terms of this Agreement or further order of the Court.
- (c) The Parties agree that this is a non-reversionary settlement and that there shall be no reversion of the Final Settlement Fund or any portion thereof to Brighthouse after the Final Approval Date.
- (d) Brighthouse shall have no obligation to pay to Plaintiff any other costs or expenses in connection with the Action other than the Final Settlement Fund.

2.3 Distribution of the Net Settlement Fund.

- (a) The Net Settlement Fund shall be distributed to the Final Settlement Class Members pursuant to a plan of allocation proposed by Class Counsel and approved by the Court, or such other plan of allocation as approved by the Court. Brighthouse shall take no position on the plan of allocation.
- (b) Within thirty (30) calendar days after the Final Approval Date, the Settlement Administrator shall calculate each Final Settlement Class Member's distribution pursuant to the plan of allocation proposed by Class Counsel and approved by the Court, or such other plan of allocation as approved by the Court, and within fourteen (14) days after that, send for delivery to each Final Settlement Class Member by U.S. mail, first-class postage prepaid, a settlement check in the amount of the share of the Net Settlement Fund to which he/she/it is entitled. Settlement checks will be automatically mailed without any proof of claim or further action on the part of the Final Settlement Class Members. Settlement checks shall remain negotiable for one hundred eighty (180) days from the date of mailing. Within one year plus thirty (30) days after the date the Settlement Administrator mails

settlement checks pursuant to this paragraph, the Settlement Administrator shall mail additional checks to attempt to distribute any funds remaining in the Settlement Fund, as set forth in the plan of allocation approved by the Court, and subject to the economic and administrative feasibility of mailing such additional checks. Any funds remaining in the Settlement Fund that cannot feasibly be distributed to Final Settlement Class Members shall be disposed of as ordered by the Court, including, where applicable, by payment to the unclaimed property division of the state in which the applicable Final Settlement Class Member was last sent Class Notice; in no event shall any portion of the Settlement Fund revert to Brighthouse.

- (c) The Parties and their respective counsel shall not be responsible for any claims, damages, liabilities, losses, suits or actions arising out of, or relating to the distributions made by the Settlement Administrator, including determinations of ownership of a Class Policy or Final Settlement Class Members.

- 2.4 Reservation of Rights. Nothing in this Agreement shall restrict, limit, or waive Brighthouse's right to establish, adjust, or apply COI rates in the future in accordance with the terms of the Policies and applicable law, or to assert any defense or bring any action or proceeding that would otherwise be available to it.

SECTION 3

Releases and Waivers

- 3.1 Following the issuance of the Order and Judgment and upon the Final Approval Date, the Releasing Parties shall be deemed to have, and by operation of the Order and Judgment shall have, fully, finally, and forever released, relinquished, and discharged the Releasees of and from all Released Claims.
- 3.2 The Releasing Parties expressly agree that they shall not now or hereafter institute, maintain, assert, join, or participate in, either directly or indirectly, on their own behalf, on behalf of a class, or on behalf of any other person or entity, any action or proceeding of any kind against the Releasees asserting Released Claims. The Order and Judgment shall contain a permanent bar order permanently barring and enjoining all Releasing Parties from asserting, commencing, prosecuting, or continuing any Released Claim against any of the Releasees.
- 3.3 Following the issuance of the Order and Judgment and upon the Final Approval Date, the Releasees shall be deemed to have released the Releasing Parties (including their respective attorneys, agents, heirs, relatives, representatives, successors, trustees, subrogees, executors, assignees, and all other persons or entities acting by, through, under, or in concert with any of them) from any and all claims arising out of or otherwise relating to their assertion of claims against the Releasees in the Action, including for avoidance of doubt any claim for abuse of process, malicious prosecution, or for the recovery of costs or attorneys' fees.

- 3.4 With respect to any Released Claims under this Agreement, the Parties stipulate and agree that, upon the Final Approval Date, the Releasing Parties shall be deemed to have, and by operation of the Order and Judgment shall have expressly, waived and relinquished, to the fullest extent permitted by law, the provisions, rights, and benefits of Section 1542 of the California Civil Code, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The Releasing Parties shall upon the Final Approval Date be deemed to have, and by operation of the Order and Judgment shall have, waived any and all provisions, rights, or benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to Section 1542 of the California Civil Code. The Releasing Parties may hereafter discover facts in addition to or different from those that they now know or believe to be true with respect to the subject matter of the Released Claims, but the Releasing Parties upon the Final Approval Date, shall be deemed to have, and by operation of the Order and Judgment shall have fully, finally, and forever settled and released any and all Released Claims, known or unknown, suspected or unsuspected, contingent or noncontingent, whether or not concealed or hidden, which now exist, or heretofore have existed upon any principle or theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct relating to the Released Claims that is negligent, intentional, with or without malice, or any breach of any duty, law, or rule, without regard to subsequent discovery or existence of such different or additional facts. The Parties expressly acknowledge and each other Releasing Party and Releasee by operation of law shall be deemed to have acknowledged that the inclusion of Unknown Claims among Released Claims was separately bargained for and a material element of the Settlement.

- 3.5 Nothing in this Release shall preclude any action to enforce the terms of this Agreement.
- 3.6 The scope of the Released Claims or Releasees shall not be impaired in any way by the failure of any Final Settlement Class Member to receive the benefits provided for under this Agreement.

SECTION 4

Notice to Settlement Class Members

- 4.1 Subject to the requirements of any orders entered by the Court, no later than forty-five (45) calendar days after the Preliminary Approval Date, the Settlement Administrator shall mail a Class Notice by first-class mail to the addresses on the Notice List. The Parties agree and understand that if more time is needed to prepare the Notice List and mail Class Notice,

they will agree on another date for mailing the Class Notice, unless otherwise ordered by the Court.

- 4.2 The Settlement Administrator will effect publication notice through the Class Website or such other publication notices as required by the Court.
- 4.3 The mailing of a Class Notice to any person or entity that is not in the Settlement Class shall not render such person or entity a part of the Settlement Class or otherwise entitle such person to participate in this Settlement.
- 4.4 Class Counsel will deliver the Notice List to the Settlement Administrator within ten (10) business days after the Preliminary Approval Date. The Notice List shall be designated Confidential Information. The Parties agree and understand that if more time is needed to prepare the Notice List, they will agree on another date for delivering the Notice List to the Settlement Administrator, unless otherwise ordered by the Court. Defendant further agrees to provide all other data reasonably necessary for Class Counsel to effectuate the distribution of Class Notice, the allocation of the Net Settlement Fund, and payments to the Final Settlement Class Members.
- 4.5 The Settlement Administrator will run an update of the last known addresses provided by Defendant through the National Change of Address database before initially mailing the Class Notice. If a Class Notice is returned to the Settlement Administrator as undeliverable, the Settlement Administrator will endeavor to: (i) re-mail any Class Notice so returned with a forwarding address; and (ii) make reasonable efforts to attempt to find an address for any returned Class Notice that does not include a forwarding address. The Settlement Administrator will endeavor to re-mail the Class Notice to every person and entity in the Notice List for which it obtains an updated address. If any Settlement Class Member is known to be deceased, the Class Notice will be addressed to the deceased Settlement Class Member's last known address and "To the Estate of [the deceased Settlement Class Member]."
- 4.6 The Settlement Administrator will establish, maintain, and update the Class Website to provide relevant information regarding the Settlement to Final Settlement Class Members.

SECTION 5

Responses to Class Notice

- 5.1 Any Settlement Class Member that wishes to opt out of the Settlement Class must submit to the Settlement Administrator a written request to opt out sent by U.S. mail and postmarked prior to the expiration of the Opt-Out/Objection Period. A list reflecting all valid Opt-Out Requests shall be filed with the Court, by Class Counsel, prior to the Fairness Hearing.
- 5.2 Opt-Out Requests must: (i) clearly state that the Settlement Class Member desires to opt out from the Settlement Class with respect to specific policies; (ii) identify by policy number the Class Policy(ies) to be excluded; and (iii) be signed by such person or entity or by a person providing a valid power of attorney to act on behalf of such person or entity.

- 5.3** If the Settlement Administrator determines that a person or entity submitting an Opt-Out Request is not the same person or entity that is the last known Owner of the Class Policy or Class Policies as reflected in the Notice List, then the Settlement Administrator shall require the person or entity submitting the Opt-Out Request to provide proof of ownership of the Class Policy or Class Policies in question.
- 5.4** To the extent there are conflicting elections of Owners as it relates to a Class Policy, including any election that purports to split or divide opting out from or participation in the Settlement Class with respect to the same Class Policy, or to the extent the Parties or their respective counsel have concerns regarding the ownership rights of Settlement Class Members, the Court shall resolve all disputes or issues regarding ownership of a policy or exclusion of a Class Policy. Any issues relating to conflicting elections or challenges to ownership must be brought to the attention of the Court within thirty (30) days after the expiration of the Opt-Out/Objection Period.
- 5.5** A Settlement Class Member who owns multiple Class Policies may opt out of the Settlement with respect to some Class Policies while participating in the Settlement with respect to other Class Policies.
- 5.6** The Settlement Administrator shall maintain the post office box to which Opt-Out Requests are required to be sent, monitor Opt-Out Requests for accuracy and completeness, request any needed clarifications, and provide copies of all such materials to Class Counsel and Defendant's Counsel within ten (10) days after expiration of the Opt-Out/Objection Period, and for later received untimely Opt-Out Requests, if any, at least seven (7) days prior to the Fairness Hearing.
- 5.7** Any Settlement Class Member that does not file a timely written Opt-Out Request in accordance with Section 5 of this Agreement and is not excluded from the definition of Final Settlement Class Members under Subsections 1.19(b)-(f) shall be bound by all subsequent proceedings, orders, and judgments in the Action.
- 5.8** Settlement Class Members may object to this Settlement by filing a written objection with the Court prior to the expiration of the Opt-Out/Objection Period, or as otherwise determined by the Court. Unless otherwise ordered by the Court, the objection must contain: (1) the full name, address, telephone number, and email address, if any, of the Settlement Class Member; (2) Class Policy number; (3) a written statement of all grounds for the objection accompanied by any legal support for the objection (if any); (4) copies of any papers, briefs, or other documents upon which the objection is based; (5) a list of all persons who will be called to testify in support of the objection (if any); (6) a statement of whether the Settlement Class Member intends to appear at the Fairness Hearing; (7) the signature of the Settlement Class Member or his/her counsel; and (8) a list of any objections by the Settlement Class Member and/or counsel in any class action settlements submitted to any state or federal court in the United States in the previous five years. If an objecting Settlement Class Member intends to appear at the Fairness Hearing through counsel, the written objection must also state the identity of all attorneys representing the objecting Settlement Class Member who will appear at the Fairness Hearing. Unless otherwise ordered by the Court, Settlement Class Members who do not timely make their objections

as provided in this paragraph will be deemed to have waived all objections and shall not be heard or have the right to appeal approval of the Settlement. The Class Notice shall advise Settlement Class Members of their right to object and the manner required to do so.

- 5.9** Defendant will not be privy to, and shall not be required to respond to, inquiries from Settlement Class Members to Class Counsel regarding the proposed Settlement or the Action. Defendant may, however, communicate with and respond to inquiries from or on behalf of insureds, beneficiaries, policyowners, and Settlement Class Members, orally or in writing, regarding matters other than the proposed Settlement or the Action in the normal course of administering the Policies or in the ordinary course of business, including through appropriate agents or agencies.

SECTION 6

Fees and Expenses

- 6.1** Plaintiff will move for attorneys' fees not to exceed 33.3% of the value of all benefits provided by this Settlement to the Final Settlement Class Members and reimbursement for all expenses incurred or to be incurred, to be paid exclusively from the Final Settlement Fund.
- 6.2** Class Counsel will, in its sole discretion, allocate and distribute the fees and costs that they receive pursuant to this Settlement among Class Counsel and any and all other counsel, if applicable.
- 6.3** Plaintiff will move for a Service Award to be paid from the Final Settlement Fund in the amount up to or less than \$25,000. The Service Award shall be made to Plaintiff in addition to, and shall not diminish or prejudice in any way, any settlement relief which he may be eligible to receive. All sums paid to Plaintiff pursuant to this paragraph shall be paid from the Final Settlement Fund.
- 6.4** Brighthouse shall not be liable or obligated to pay any fees, expenses, costs, or disbursements to any person, either directly or indirectly, in connection with the Action, this Agreement, or the Settlement, other than those expressly provided in this Agreement.
- 6.5** The Parties agree that the Settlement is not conditioned on the Court's approval of Service Awards or Class Counsel's Fees and Expenses.
- 6.6** If, after Class Counsel's Fees and Expenses have been paid from the Final Settlement Fund, the Court's approval of the Settlement is reversed or materially modified on appeal, or the order awarding Class Counsel's Fees and Expenses is reversed, vacated, or reduced and such reversal, vacatur, or reduction becomes final, Class Counsel shall, within five (5) business days after receiving notice thereof, refund to the Final Settlement Fund Class Counsel's Fees and Expenses, or the applicable portion thereof, previously paid, together with any interest earned thereon.

SECTION 7

Tax Reporting and No Prevailing Party

- 7.1 Any person or entity receiving any payment or consideration pursuant to this Agreement shall alone be responsible for the reporting and payment of any federal, state and/or local income or other form of tax on any payment or consideration made pursuant to this Agreement, and Defendant shall have no obligations to report or pay any federal, state and/or local income or other form of tax on any payment or consideration made pursuant to this Agreement. Neither Defendant, Defendant's Counsel, nor Class Counsel has provided, and each expressly disclaims, any tax advice to any person or entity in connection with this Settlement, and no representation or warranty is made regarding the tax treatment of any payment or consideration made pursuant to this Agreement.
- 7.2 All taxes resulting from the tax liabilities of the Settlement Fund Account shall be paid solely out of the Final Settlement Fund.
- 7.3 No Party shall be deemed the prevailing party for any purposes of this Action.

SECTION 8

Preliminary and Final Approval

- 8.1 Plaintiff expects to file a motion seeking preliminary approval of the Settlement on or before August 12, 2026. Plaintiff will share a draft of the motion seeking approval of the Settlement (and all other settlement-related filings) with Brighthouse no less than five (5) business days before it is filed.
- 8.2 To the extent the Court finds that the Settlement does not meet the standard for preliminary approval, the Parties will negotiate in good faith to modify the Settlement directly or with the assistance of the Mediator and endeavor to resolve the issue(s) to the satisfaction of the Court.
- 8.3 Subject to approval by the Court, Defendant conditionally consents to certification of the Settlement Class for settlement purposes only. Defendant agrees to class action treatment of the claims alleged or potentially asserted solely for the purpose of effecting the compromise and settlement of those claims on a class basis as set forth in the Agreement. If the Agreement is terminated pursuant to the provisions set forth in Section 9.1 or the Settlement otherwise fails to become effective for any reason, the Parties will not offer this Agreement, any agreement negotiated between the parties in connection with or regarding the Settlement or the Agreement, or any motion seeking approval of the Settlement or Agreement in connection with a motion or opposition to a motion to certify a litigation class or in any other proceeding in the Action or in any other action.
- 8.4 Class Counsel agrees to file a Motion for Plaintiff's Service Award and Class Counsel's Fees and Expenses no later than thirty (30) days before the Fairness Hearing. Class Counsel further agrees to file a Motion for Final Approval of the Settlement no later than thirty (30)

calendar days before the Fairness Hearing. The Motion for Final Approval of the Settlement will include a proposed Order and Judgment in a form agreed to by the Parties.

- 8.5** The Order and Judgment proposed by Class Counsel shall, among other things: (i) approve the Settlement as fair, reasonable, and adequate and in the best interests of the Settlement Class and certify the Settlement Class for the purposes of judgment on the proposal; (ii) deem the notice provided to the Settlement Class reasonable and consistent with legal requirements; (iii) provide for the retention of the Court's jurisdiction over the Parties to implement and enforce the terms of the Order and Judgment; (iv) dismiss the Action with prejudice and deem the Releasing Parties to have released all Released Claims against Releasees; and (v) provide for a permanent bar order (consistent with the provisions of Section 3.2).
- 8.6** Within ten (10) calendar days following the filing of this Agreement with the Court, Defendant shall directly or through the Settlement Administrator (whose fees incurred in connection with this section shall be separately paid by Defendant) serve notices of the proposed Settlement upon the appropriate Federal officials and appropriate State officials as defined by, and in compliance with, the requirements of the Class Action Fairness Act, 28 U.S.C. § 1715.

SECTION 9

Other Provisions

- 9.1** Notwithstanding anything in this Agreement, if, in accordance with Section 2.1(b), the Settlement Fund is reduced below the threshold mutually agreed upon by the Parties in the Confidential Termination Agreement, Brighthouse shall have the option, but not the obligation, to terminate this Agreement no later than seven (7) business days after the Opt-Out/Objection Period expires.
- 9.2** The Parties: (i) acknowledge that it is their intent to consummate this Agreement; (ii) agree to cooperate in good faith to the extent reasonably necessary to effect and implement all terms and conditions of the Agreement and to exercise their best efforts to fulfill the foregoing terms and conditions of the Agreement; and (iii) agree to cooperate in good faith to obtain preliminary and final approval of the Settlement and to finalize the Settlement.
- 9.3** Plaintiff: (i) agrees to serve as representative of the Settlement Class; (ii) remains willing, able, and ready to perform all of the duties and obligations of a representative of the Settlement Class; (iii) is familiar with the allegations in the Action, or has had such allegations described or conveyed to him; (iv) has consulted with Class Counsel about the Action (including discovery conducted in the Action), this Agreement, and the obligations of a representative of the Settlement Class; and (v) shall remain and serve as representative of the Settlement Class until the terms of this Agreement are effectuated and fully implemented, this Agreement is terminated in accordance with its terms, or the Court at any time determines that Plaintiff cannot represent the Settlement Class.
- 9.4** The Parties agree that the amounts paid in the Settlement and the other terms of the Settlement were negotiated in good faith, and at arm's length by the Parties, with the

assistance of the Mediator, and reflect a settlement that was reached voluntarily after consultation with competent legal counsel.

- 9.5** No person or entity shall have any claim against Class Counsel, the Settlement Administrator, Defendant's Counsel or any of the Releasees based on actions taken substantially in accordance with the Agreement and the Settlement contained therein or further orders of the Court.
- 9.6** Defendant specifically and generally denies any and all liability or wrongdoing of any kind with regard to any of the Claims asserted or that could have been asserted in the Action and makes no concessions or admissions of liability or misconduct of any kind. Neither this Agreement nor the fact or terms of the Settlement nor any drafts or communications related thereto, nor any act performed or document executed pursuant to, or in furtherance of, the Agreement or the Settlement: (i) is or may be deemed to be or may be used as an admission, concession, presumption, proof or evidence of, the validity of any Claims or damages model in any proceeding, or of any fault, wrongdoing or liability of the Releasees, or any of them or of any damages to the Settlement Class or of any infirmity of any of Defendant's defenses; or (ii) is or may be deemed to be or may be used as an admission of, or evidence of, any fault, liability, misconduct or omission of any kind whatsoever of the Releasees, or any of them, in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. Nothing in this paragraph shall prevent Defendant and/or any of the Releasees from using this Agreement and Settlement or the Order and Judgment in any actions that may be brought against them in order to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.
- 9.7** If this Agreement or the Settlement fails to be approved, fails to become effective, is terminated by Brighthouse pursuant to Section 9.1 of this Agreement, or otherwise fails to be consummated, then: (i) the Parties will be returned to status quo ante as if this Agreement had never been negotiated or executed, with the right to assert in the Action any argument or defense that was available to it at that time; and (ii) Defendant shall retain, and expressly reserve, any and all of the rights it had prior to the execution of this Agreement to object to the maintenance of the Action as a class action by Class Counsel and Plaintiff and to otherwise defend the claims alleged, whether on a class or individual basis. Plaintiff and Class Counsel agree that nothing in this Agreement or other papers or proceedings related to the Settlement shall be used as evidence or argument concerning whether the Action may properly be maintained as a class action, whether a purported class is ascertainable, or whether Class Counsel or Plaintiff can adequately represent purported class members under applicable law. If the Agreement is deemed void or the Settlement otherwise fails, Plaintiff and Class Counsel agree not to argue or present any argument, and hereby waive any argument, that Defendant could not contest (or is estopped from contesting) maintenance of this Action as a class action based on any grounds it had prior to the execution of this Agreement; and this Agreement shall not be deemed an admission by, or ground for estoppel against Defendant that class certification or any claims brought in the Action are proper or that such class certification or claims cannot be contested on any grounds that Defendant had prior to the execution of this Agreement. In the event the

Agreement is declared void or the Settlement otherwise fails, the Parties retain and reserve any and all rights and arguments they had prior to execution of this Agreement.

- 9.8** Nothing in this Agreement shall change the terms of any Policy. Nothing in this Agreement shall preclude any action to enforce the terms of this Agreement.
- 9.9** The Parties agree, to the extent permitted by law, that all agreements made and orders entered during the course of the Action relating to confidentiality of information shall survive this Agreement. To the extent Class Counsel or the Settlement Administrator requires Confidential Information to effectuate the terms of this Agreement, the terms of the Confidentiality Order shall apply to any information necessary to effectuate the terms of this Agreement.
- 9.10** The Agreement may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest. No waiver of any provision of this Agreement or consent to any departure by either Party therefrom shall be effective unless the same shall be in writing, signed by the Parties or their counsel, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No amendment or modification made to this Agreement pursuant to this paragraph shall require any additional notice to the Settlement Class Members, including written or publication notice, unless ordered by the Court. Plaintiff and Class Counsel agree not to seek such additional notice. The Parties may provide updates on any amendments or modifications made to this Agreement on the Class Website as described in Section 4.6.
- 9.11** Each person executing the Agreement on behalf of any party hereto hereby warrants that such person has the full authority to do so.
- 9.12** The Agreement may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument. Furthermore, electronically signed PDF versions or copies of original signatures may be accepted as actual signatures, and will have the same force and effect as the original. A complete set of executed counterparts shall be filed with the Court.
- 9.13** The Agreement shall be binding upon, and inure to the benefit of, the successors, heirs, and assigns of the Parties hereto; but this Agreement is not designed to and does not create any third-party beneficiaries either express or implied, except as to the Settlement Class Members.
- 9.14** The language of all parts of this Agreement shall in all cases be construed as a whole, according to its fair meaning, and not strictly for or against either party. No party shall be deemed the drafter of this Agreement. The Parties acknowledge that the terms of the Agreement are contractual and are the product of negotiations between the Parties and their counsel. Each of the Parties and their respective counsel cooperated in the drafting and preparation of the Agreement. In any construction to be made of the Agreement, the Agreement shall not be construed against any Party.
- 9.15** Other than necessary disclosures made to the Court or the Settlement Administrator, this Agreement and all related information and communication shall be held strictly

confidential by Plaintiff, Class Counsel, and their agents until such time as the Parties file this Agreement with the Court.

- 9.16** The Parties and their counsel further agree that their discussions and the information exchanged in the course of negotiating this Settlement are confidential under the terms of the mediation agreement signed by the Parties in connection with the mediation session with the Mediator and any follow-up negotiations between the Parties' counsel. Such exchanged information was made available on the condition that neither the Parties nor their counsel may disclose it to third parties (other than experts or consultants retained by the Parties in connection with the Action and subject to confidentiality restrictions), that it not be the subject of public comment, and that it not be publicly disclosed or used by the Parties or their counsel in any way in the Action should it not settle, or in any other proceeding; provided however, that nothing contained herein shall prohibit the Parties from seeking such information through formal discovery if not previously requested through formal discovery or from referring to the existence of such information in connection with the Settlement of the Action.
- 9.17** The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of the Agreement and any discovery sought from or concerning objectors to this Agreement. All Parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the Settlement embodied in the Agreement.
- 9.18** Whenever this Agreement requires or contemplates that one Party shall or may give notice to the other, notice shall be provided by e-mail and/or next-day (excluding Saturday and Sunday) express delivery service as follows:

- 9.19** The Parties reserve the right to agree between themselves on any reasonable extensions of time that might be necessary to carry out any of the provisions of this Agreement.

- 9.20** All time periods set forth herein shall be computed in calendar days unless otherwise expressly provided. In computing any period of time prescribed or allowed by this Agreement or by order of any court, the day of the act, event, or default from which the designated period of time begins to run shall not be included. Each other day of the period to be computed shall be included, including the last day thereof, unless such last day is a Saturday, a Sunday, or a legal holiday, or, when the act to be done is the filing of a paper in court on a day in which the court is closed during regular business hours. In any event, the period runs until the end of the next day that is not a Saturday, Sunday or legal holiday, or that is not a day on which the court is closed. When a time period is less than seven business days, intermediate Saturdays, Sundays, legal holidays, and days on which the court is closed shall be excluded from the computation. As used in this paragraph, legal holidays include New Year's Day, Dr. Martin Luther King Jr. Day, Presidents' Day, Memorial Day, Juneteenth, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, Christmas Day and any other day appointed as a holiday by Federal law or New York law.

AMENDMENT TO JOINT STIPULATION AND SETTLEMENT AGREEMENT

THIS AMENDMENT TO JOINT STIPULATION AND SETTLEMENT AGREEMENT (this “Amendment”) dated as of August 5, 2026 (the “Effective Date”), is made, subject to approval of the Court and pursuant to Rule 23 of the Federal Rules of Civil Procedure, by, between and among Plaintiff, individually and on behalf of the Settlement Class, and Defendant.

RECITALS:

WHEREAS, the Parties entered into that Joint Stipulation and Settlement Agreement (the “Agreement”) on July 27, 2026; and

WHEREAS, pursuant to Section 9.10 of the Agreement, the Parties hereto have agreed to amend the Agreement;

NOW, THEREFORE, in consideration of the premises and agreements, provisions and covenants set forth in this Amendment, the Parties hereto hereby stipulate and agree as follows:

1. **Defined Terms**. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed thereto in the Agreement.
2. **Amendment of the Agreement**. As of the Effective Date, the Agreement is hereby amended as follows:

(a) Section 1.18 of the Agreement is hereby deleted in its entirety and replaced with the following:

1.18 “**Final Approval Date**” means as follows: (i) if no appeal from or request for review of the Order and Judgment is filed, the day after the expiration of the time for filing or noticing any form of appeal from the Order and Judgment; or (ii) if an appeal or request for review is filed, the day after the date the last taken appeal or request for review is dismissed and the Order and Judgment is not reversed in whole or in part, or the Order and Judgment is upheld on appeal or review, and is not subject to further review on appeal or by certiorari or otherwise; provided, however, that no order of the Court or modification or reversal on appeal or any other order relating solely to the Class Counsel’s Fees and Expenses or any Service Award shall affect or delay the Final Approval Date.

(b) Section 8.4 of the Agreement is hereby amended by replacing “thirty (30)” in the first sentence with “sixty (60)” such that the first sentence reads: “Class Counsel agrees to file a Motion for Plaintiff’s Service Award and Class Counsel’s Fees and Expenses no later than sixty (60) days before the Fairness Hearing.”

3. **Original Agreement References**. All references in the Agreement, the Class Notice, the Confidential Termination Agreement, the Order and Judgment, any Motion for

Preliminary Approval of the Settlement, any Motion for Plaintiff's Service Award and Class Counsel's Fees and Expenses, or any Motion for Final Approval of the Settlement, or on the Class Website, to the "Agreement" or "Joint Stipulation and Settlement Agreement," or words of like import to the extent meant to include a reference to the Agreement shall be deemed to refer to the Agreement, as amended by this Amendment.

4. **Counterparts; Headings.** This Amendment may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument. Furthermore, electronically signed PDF versions or copies of original signatures may be accepted as actual signatures, and will have the same force and effect as the original. A complete set of executed counterparts shall be filed with the Court. The captions and headings of the various sections of this Amendment are for purposes of reference only and are not to be construed as confining or limiting in any way the scope or intent of the provisions hereof.
5. **Full Force and Effect.** Except as specifically modified by this Amendment, all terms, covenants and provisions of the Agreement shall remain unmodified and in full force and effect.
